

STARTUP CHARTER

Startup: CleanTech • Project: The Urban Glow-Grid

Commitment Statement: As a team, we define and assign formal roles to each member based on a standard startup structure. Each member has a clear role and physically or digitally signs this charter to confirm their responsibilities and commitment to the team in bringing *The Urban Glow-Grid* to life. This structure ensures accountability, improves coordination, and provides a clear identity within the project.

KEY WORDS

Smart City

Energy Mindfulness

Interactive Simulation

1-LINE PROJECT SUMMARY

*"In order to promote energy mindfulness, our project **Urban Glow-Grid** allows citizens and students to balance a city's power grid through real-time interactive simulations, contrary to abstract electricity bills and static energy saving brochures."*

CHOSEN SUSTAINABLE DEVELOPMENT GOALS (SDGS)

SDG 7

Affordable and Clean Energy

Sensibiliser à la gestion de la charge électrique.

SDG
11

Sustainable Cities and Communities

Optimiser les ressources urbaines via une maquette interactive réagissant à la consommation en temps réel.
